

**"Care of Creation"**  
a look at God's world through new eyes  
at  
**San Pedro Center**  
Winter Park, FL

**A Day Field Trip**  
for  
**Grades 4, 5 & 6**

Programs designed to complement science and religion curriculum.

**\$12**  
per child  
Lunch available upon request

Three different grade-level activities encourage the exploration of Florida's fragile ecosystem.

**S**an Pedro is the spiritual development center for the Diocese of Orlando. This surprisingly rural setting in the middle of the town of Winter Park consists of almost 500 acres tucked away on the banks of Lake Howell. Comprised of waterfront, forest, and field, San Pedro offers your students an opportunity to experience ecological and environmental issues in the context of stewardship.
